Pet Experience:

1. Have you ever volunteered for another rescue?

(If yes, please give the rescue's name and director's contact information)

2. Do you have pets of your own?

(If yes, please list each pet's name, species, breed and gender)

3. If you have current pets, is each pet altered (spayed/neutered) and up to date on vaccines?

4. If you have current pets please indicate where they live. (Indoors, Outdoors)

5. If you had pets previously that no longer live with you, please describe why you no longer have them:

Volunteering Information:

1. What experiences have you had with pets that you feel you can bring to a volunteering experience?

2. In what capacity are you interested in volunteering? You can be creative and list ideas of ways you feel you might be best suited to help the rescue given your experience, interest, skills and other time commitments. Some examples to consider would be:

- *Helping to staff an adoption day booth
- *Helping foster families socialize pets and clean cages
- *Helping fosters take clear digital pictures of foster pets for updating posts
- *Helping to transport foster pets from shelter to foster home or to vet appointments
- *Helping to collect donated items from the community

3. Our rescue typically has foster families and attends adoption events in both the greater GR area and the Kzoo area. Please indicate which area (or both) you are interested in volunteering.

4. Please provide two personal references you feel can best attest to your good character and love for pets. Give name and valid contact number:

1.

2.
